Friday: Fix-It

National Football League (NFL) teams do a lot to get ready for the new football season that begins each fall. In April, the league holds a draft where teams pick players. Over the summer, the players practice and train. Then starting in September, each team spends the next 17 weeks playing games. The season ends with playoffs and the championship game. Do you have a favorite football team you will watch this year.

Vocab Word- Championship: _____

Total Points: _____ / 20
